

I am writing to let you know that my family and I listen to K-LOVE alot. I keep my radio set to K-LOVE in my car and at work. I don't listen to anything else, it is a good christian based radio station that helps keep me grounded in my faith! I enjoy listening to uplifting, positive music while I am at work, it makes my day better everyday! It helps me to have positive attitude to my co-workers, and to my family. Some of my crew even listen to K-LOVE now, and they have told their freinds and family!! I don't have to worry about my kids listening to K-LOVE and hearing anything bad, or controversial. If K-LOVE were to be displaced by an LPFM broadcaster, my community, in fact, our country, would be missing out on a very positive, informational, station that helps people everyday in so many ways.
